## Ocular Scenic Minimal Sliding Door

### THE GREATNESS OF MINIMALISM

Ocular Glazing brings you the **Ocular Scenic** Minimal Sliding Door, a new sliding door of minimalist design which can cover large spaces, allowing maximum transparency with minimum visible aluminium sections.

The **Ocular Scenic** Minimal Sliding Door allows sash dimensions of up to 4 metres wide or high, enabling combinations of up to 6 sashes and meeting at a 90° corner without a mullion.

**Ocular Scenic** Minimal Sliding Door has a visible section of just 25mm interlocks and the possibility to totally hide the bottom, side and top frames.

### TECHNICAL CAPABILITIES

The **Ocular Scenic** Minimal Sliding Door has the option of motorised operation, carrying weights of up to 700 kg/sash.

With the bearings located in the frame, the sash has a double reinforced stainless steel rail that allows the system to glide effortlessly and is the best in its class.

The **Ocular Scenic** Minimal Sliding Door has a multi-point locking system and can be supplied with or without a key.
